WORK EXPERIENCE

Vyapar
AI Marketing Strategist *Jun 2026 – Present*

- Own growth strategy across performance marketing, SEO, offline marketing and workflow automation; report directly to directors and stakeholders.
- Built a Docker-hosted Meta Ads upload automation (local folder to ad account) with Slack weekly/monthly reports and breakout-ad alerts, fed by a Magnific workflow that generates up to 10 ad variants per brief.
- Built an SEO automation that detects drops in clicks and impressions and refreshes pages through WordPress APIs; partner with the data and analytics team on workflow automation.
- Negotiate expo and exhibition deals and represent Vyapar on the ground to build brand collaborations.

Bank of India — International Head Office **BKC, Mumbai**
Data Analyst & GenAI Intern *May 2026 – Jun 2026*

- Deployed VaultGuard, a biometric verification workflow for 1,000+ employees, hardened for edge cases, failures and production latency.
- Built n8n, SQL and JavaScript reporting automation and fault-tolerant pipelines (error handling, logging) feeding executive HTML/CSS dashboards; eliminated manual data entry.
- Engineered on-premises ITSM incident routing (n8n, Java, SQL) that enforces SLAs, and a local Ollama/Docker RAG sandbox for document processing.
- Mapped legacy workflows with non-technical department heads and defined success metrics before building.

CLOZ Designs **Bhopal, MP**
Founder & Operations Lead *Sep 2025 – Apr 2026*

- Built a self-funded D2C brand to ₹3 Lakhs+ in revenue; ran vendor sourcing, cost negotiation and inventory across 100+ SKUs; won a repeat B2B merchandise contract with VIT Bhopal.

LEADERSHIP

- **Advitya 2025, Sponsorship Assistant Lead:** closed ₹11 Lakhs+ in sponsorship from Chartered Speed and Realme India, the fest's largest single contribution.
- **GDG VIT Bhopal, Design Lead (2024) and Non-Technical President (2025):** led PR, outreach and events of 500+ participants. **AI Club, Graphics Lead:** managed a team of 15.
